

CANDIDATE FOR AAPI VICE PRESIDENT

RAJ BHAYANI, MD

STRONGER TOGETHER TO SHAPE FUTURE OF AAPI

Over course of my medical career, I have led many organizations. One thing became clear: for an organization to succeed, it must provide real, tangible value to its members.

Elect me your next Vice President and I will fulfill promise for Stronger Tomorrow by achieving:

STRONGER BENEFITS: Value to Members BY Group Purchase Agreement

- Install agreements to lower costs for affordable malpractice insurance, health and life insurance, disability, liability, auto insurance.
- Pay less for all supplies and essential services, including estate planning, wealth management.

STRONGER SERVICES: Make it easy to run practice

- Empower you by employing premier organizations to get you effective services for revenue cycle management, group integration, facility expansion, contract negotiation, compliance, audits.
- Create AAPI platform for online specialty specific CME to maintain license certification and CPT training.

STRONGER ADVOCACY: Greater Influence at Capitol Hill

- Elevate our impact and influence on Capitol Hill to exceed African American and Hispanic counterparts.
- Lobby lawmakers to create 5000 more residency spots for younger generation and relief of green card backlog and conversion of H1 and J1 Visas.

STRONGER OUTREACH: Deepen Indo-US Relationship

- Exert our influence on lawmakers to strengthen India-US partnerships
- Partner with Indian health ministry to modernize healthcare in India
- Create and support self-sustained programs like telehealth clinics and AAPI charitable clinics.

Ultimately, I want AAPI to be bridge between US and India. To this end, I've assembled the team to help me achieve these goals.

I have a plan, I have team, but need **Your support and YOUR vote.**
