

## **CANDIDATE FOR AAPI TREASURER**

### **RAGHU LOLABHATTU, MD**

I am a graduate of Osmania Medical College, Hyderabad and currently practicing in Georgia as an internist possessing an active License of Georgia.

#### **A brief summary of my activities in AAPI and GAPI.**

I recently led the AAPI convention 2023 as CEO and acting chair and proud to say it was a grand success.

In the year 2022-2023, I served AAPI as Vice Chair of Board of Trustees of AAPI.

In the past, I served AAPI as Alumni Chair.

I served Georgia API as President and also Chair Board of Trustees.

I was actively involved in several AAPI charitable activities including the COVID relief program.

I was actively involved in several AAPI annual conventions, including ones held in 2017, 2019 as Vice Chair and helped the team to make those events a grand success.

I participated in several governing body meetings as a GB member in last more than 5 years.

I also served our prestigious Alumni as President in recent past and presently as Board of Trustees.

If I am elected as the Treasurer, I would definitely abide all AAPI bylaws and as a team member, I would work hard to lift up the AAPI image nationally and internationally.
