MY LEADERSHIP EXPERIENCE INCLUDES:

- **AAPI Roles:** Served as Women’s Chair for the 39th Annual Convention (2021), Co-Chair for the Obesity Committee (2020–2021), and Chair for the Annual Convention Decoration Committee (2019).
- **Professional Service:** Currently serves as a Board of Trustees member for AMCANA, Secretary for ATMG USA, Board Member for Coffee County Area Providers (CCAP), Medical Association of GA (MAG) Foundation Board member, and Alternate Delegate for District 8.
- **Community Impact:** Supported the 2020 clean drinking water project and personally adopted a village, while recruiting others to support the program.

I was also honored to receive recognition from the Vice President of India in November 2023 during the Andhra Medical College Centennial celebration for my contributions to the Centenary Academic Block.

I believe this role is a vital opportunity to give back and ensure our organization remains strong, relevant, and resilient for the next generation.
